

# 2026 Medicare Advantage Plan with Prescription Coverage Comparison Chart for Contra Costa County

## ABOUT THIS CHART

The information on the chart is for Medicare Advantage plans available to all individuals who have Medicare Parts A and B. Employer and union retiree health plans may have the same name but may offer different benefits. These plans are open to people under age 65 with Medicare Parts A & B Medicare due to disability, regardless of their health condition.

This Comparison Chart is an abbreviated summary only. The information listed is extracted from each plan’s submission to Medicare’s Planfinder tool. More detail is available in the “Summary of Benefits”, a copy of which is available from the plan via the link at the top in the following chart or from HICAP.

Medicare Advantage plans are private insurance plans that are approved and subsidized by Medicare. They offer equivalent benefits to Medicare, including drug coverage. Joining a Medicare Advantage plan means you may not typically use your Medicare benefit outside the plan. These plans may offer benefits in addition to those found in traditional Medicare. Some benefits are listed at the bottom of the chart. For additional information on these benefits, find that in the plan’s Summary of Benefits.

## SOME RULES FOR ALL PLANS

Most plans in Contra Costa County are Health Maintenance Organizations — HMO’s. This means you must use the network providers. Plans contract with physician groups and hospitals listed in this chart. Primary Care Providers must refer you to specialists, and those must be within the same physician network. You cannot use medical services outside the network, except for emergencies. One Preferred Provider Organization (PPO) plan allows you to see providers without referrals. It also covers providers outside the network who also participate in Medicare, but at a higher cost to you.

## HERE IS A SUMMARY OF DOCTOR NETWORKS

PLANS	DOCTOR GROUPS					
	Kaiser	John Muir	Hill Phys.	Sutter	Brown & Toland	Imperial
Kaiser (All)	<input checked="" type="checkbox"/>					
AARP MA from UHC			<input checked="" type="checkbox"/>			
HumanaChoice (PPO)		*	*	*	*	
Imperial Dynamic						<input checked="" type="checkbox"/>

- Doctors in this Independent Practice Association are in-network

\* - Plan contracts with individual providers, not doctor groups

Always verify coverage details with the Medicare Advantage Plan, including if your preferred physician(s) and hospital are in the plan’s network. **Primary Care Physician and Specialists in HMO Plans must refer to providers in the same medical group.**

## JOINING A PLAN

If you have Medicare Parts A & B, you may join any of these plans during the Annual Enrollment Period (October 15 to December 7 each year). Coverage starts January 1 of the following year. If you are new to Medicare, you may join during the 7-month period around your eligibility date (usually 65th birthday). There is also a 2-month special enrollment period if your circumstances change significantly, such as losing your employer coverage or moving. You can call the phone numbers on the chart to enroll or more quickly by using the Enrollment Button in Medicare's Planfinder tool. When you enroll, your prior Medicare Advantage or Prescription Drug plan will automatically be canceled when the new plan is effective.

## CHANGING PLANS

From January 1 through March 31 of each year, if you are in a Medicare Advantage plan you have the right to change to a different Advantage Plan or to Original Medicare with a separate Prescription Drug plan. And you can change plans in the Annual Enrollment Period in the Fall (October 15 to December 7) for a January 1 effective date.

## SOME CONSIDERATIONS FOR CHOOSING A PLAN

1. Does the plan cover your favorite doctors and hospitals? Note: For HMO's the Primary Care Physician and Specialists must belong to the same medical group (also known as IPA - Independent Practice Association). For the PPO plan, network providers have an individual contract with the insurer. For a higher cost, you can use any provider that participates in Medicare. The following chart has links to each plan's provider lookup to help you ensure your provider participates in the plan you select.
2. What is the monthly premium (in addition to Medicare Part B)?
3. What are the co-pays and deductibles for the services you need, such as doctor's visits, surgery, and chemotherapy? What is the out-of-pocket maximum that limits what you might have to pay for medical costs (excluding drugs and premiums)?
4. Does the plan cover your specific prescription drugs? Use Medicare's Planfinder tool to check. There is a link on the following chart listings. The standard Medicare Part D rules, such as formulary limitations, drug restrictions, coverage phases, etc., apply to all Medicare Advantage plans.
5. What are the additional benefits you would like to have and will the plan meet your specific needs (e.g. your dentist or hearing specialist)?

Note: 2025 Medicare cost sharing for skilled nursing facilities: (Days 1–20) \$0, (Days 21–100) \$209.50 per day, (Days 101 and beyond) responsible for all costs.
